SECTION 31.19 LINE OF DUTY LIFE INSURANCE.

(A) The City agrees to provide (either through self-insurance or a policy of insurance) a twenty-five thousand dollar ($25,000.00) life insurance/accidental death and dismemberment ("life insurance") benefit to full time employees of the City as defined in Section 31.16 herein.

(B) In the event the full time employees' life insurance is provided through an insured plan and the city qualifies under the terms of the insured plan to offer additional life insurance coverage, the employee may purchase additional coverage through payroll deductions. The costs of any additional life insurance coverage shall be the sole responsibility of the employee.
