IN THE MATTER OF THE REQUEST FOR
AN AGREEMENT FOR MODIFICATION
OF WARNING DEVICES WITH THE CITY
OF MEDINA (RAILROAD) IN THE STATE
OF OHIO

AGREEMENT NO. 251

AGREEMENT

THIS AGREEMENT is entered into on this 7th day of January, 2014 by and among the Ohio Rail Development Commission and the Public Utilities Commission of Ohio (hereinafter collectively referred to as the "STATE"), and City of Medina, ("RAILROAD"),

WITNESSETH:

WHEREAS, the Public Utilities Commission of Ohio ("PUCO") has statutory authority to regulate and promote the welfare and safety of railroad employees and the traveling public pursuant to Ohio Revised Code ("ORC") §4905.04; and

WHEREAS, the Ohio Rail Development Commission ("ORDC") is charged with the statutory authority under ORC §4981.03 to develop, promote, and support safe, adequate, and efficient rail service throughout the State of Ohio; and

WHEREAS, ORC §4907.471 requires the PUCO to survey all public highway-railroad grade crossings in the State of Ohio to determine the probability of crashes at each grade crossing, and to systematically provide for the modification of railroad warning devices (hereinafter referred to as "PROJECTS"); and

WHEREAS, the Moving Ahead for Progress in the 21st Century Act (MAP-21) and subsequent amendments thereto provide funding for the cost of installing warning devices to eliminate hazards at public grade crossings, which funding is administered jointly by the PUCO and ORDC pursuant to ORC §4907.476; and

WHEREAS, the parties hereto propose to facilitate the modifications identified in this AGREEMENT in accordance with the Title 23 Code of Federal Regulations ("CFR") and applicable provisions of Title 23 of the United States Code pursuant to the terms hereof; and

WHEREAS, the RAILROAD agrees to cooperate with the STATE in the implementation of PROJECTS in furtherance of the public safety; and

WHEREAS the STATE and RAILROAD will execute this AGREEMENT to specify details for the modification of warning devices at each designated grade crossing; and

WHEREAS, it is desired by the parties hereto to accomplish PROJECTS at highway-railroad grade crossing(s) and to determine and agree upon the manner of performing all such work necessary and incidental thereto, the respective responsibilities of said parties, and the proportion of the costs and expenses to be paid by each of the parties and the mode and time of payment.

NOW, THEREFORE, for and in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

I. GENERAL REQUIREMENTS

The purpose of this AGREEMENT is the following grade crossing warning device upgrade ("PROJECT"):

<u>Grade Crossing #</u>	<u>Location</u>	<u>Nature of Upgrade</u>
141893W	State Road City of Medina	Installation of Flashing Lights and Roadway Gates.

The work and the construction to be performed under this AGREEMENT, including the preparation of plans, specifications and estimates and the purchase of materials shall be undertaken by the RAILROAD in accordance with plans and specifications which meet 23 CFR, the standards approved by the American Railway Engineering and Maintenance of Way and RAILROAD standards.

The approved plans shall constitute the scope of the project.

The RAILROAD shall be responsible for general engineering supervision of the PROJECT under the terms of this AGREEMENT, and shall prepare or cause to be prepared and submit to the STATE, for STATE and/or federal approval, complete plans, specifications and estimates for said PROJECT. Plans shall clearly show the existing facilities as well as the existing right of way, proposed right of way and centerline. The RAILROAD shall furnish such engineering services as may be necessary to install the PROJECT, subject to review and approval by the STATE.

The RAILROAD shall complete the preparation of plans within ninety (90) days or other time frame agreed to with the ORDC or PUCO in the Preliminary engineering ("PE") authorization, and the installation of the PROJECT shall be completed within nine (9) months or other time frame agreed to with the ORDC or PUCO in the construction authorization. The RAILROAD shall be responsible for payment in a timely manner of all bills for supplies, materials, equipment, labor and other costs incurred to complete the PROJECT, and shall not

permit liens or any other type of encumbrance to be placed upon all or any portion of the PROJECT installed pursuant to this AGREEMENT. The STATE, through its authorized agents, shall have the right to inspect the crossing site prior to performance of any PROJECT work and at any stage during the installation of PROJECT at grade crossing(s).

In the event conditions or circumstances require a change in scope of the RAILROAD's work on the PROJECT as set forth in the approved plan(s) and estimate(s) the changes must be made in writing and approved by ORDC or PUCO. Should the RAILROAD request a change in the scope of work, the RAILROAD's work shall accommodate the time necessary for STATE to process the change request.

After completion of the PROJECT, the RAILROAD shall operate, maintain and renew, at its sole expense, the PROJECT and other of its facilities constructed or changed under the terms of this AGREEMENT in good operating order. Nothing stated herein shall deny the RAILROAD the right to seek reimbursement of the costs for the maintenance and renewal of the PROJECT and other of its facilities constructed or changed under the terms of this AGREEMENT, if such reimbursement is then provided for by Federal Highway Administration ("FHWA") regulations and/or the ORC or any other federal or state statute or regulation.

II. COST ALLOCATION AND BILLING

PE and construction costs shall be borne one hundred percent (100%) by ORDC. Reimbursable costs will be limited by the ORDC based on approved estimates and bid tabulations, if applicable. These limits will be quantified by the ORDC in its construction authorization to RAILROAD and may be amended by the ORDC based on revised estimates and bid tabulations. The total costs for the modifications borne by the ORDC shall not exceed two hundred thousand dollars and no cents (\$200,000.00).

RAILROAD shall notify ORDC or PUCO in writing of any changes in the scope of work which are not in the approved plans and estimates and secure approval in writing of same before the work is performed.

The costs assigned to ORDC shall be satisfied through the expenditure of Federal funds administered by ORDC and subject to approval by the FHWA. In the event that delays or difficulties arise in securing necessary Federal approvals which, in the opinion of ORDC, render it impracticable to utilize Federal funds for the construction of this PROJECT, then at any time before RAILROAD is authorized to purchase or furnish the items included under this AGREEMENT, ORDC may serve formal notice of cancellation upon RAILROAD, and this AGREEMENT shall become null and void. ORDC shall reimburse RAILROAD for all eligible costs incurred on account of the modifications prior to such cancellation, including costs associated with authorized preliminary engineering for the PROJECT.

All plans, specifications, estimates of costs, acceptance of work, and procedures in general, to facilitate the construction of the safety modifications described above, shall conform in all

respects to applicable Federal laws, rules, regulations, orders, and approvals applicable to Federal-Aid PROJECTs. ORDC shall reimburse RAILROAD in accordance with 23 CFR 140, Subpart I. and 23 CFR, Part 646, Subpart B or any subsequent amendments thereto, in such amounts and form as are proper and eligible for payment from Federal-Aid highway funds. RAILROAD shall render its billings to ORDC in accordance with said rules and regulations, and RAILROAD shall also provide and furnish such itemized records of and substantiating data for such costs as may be required.

RAILROAD shall be responsible for initially paying all of its actual costs to install the modifications. RAILROAD may bill STATE no more frequently than monthly for its costs when PROJECT costs incurred during the billing period exceed \$1,000.00. RAILROAD shall submit two (2) copies of its bill and in accordance with said rules and regulations as they have been issued or as thereafter may be supplemented or revised. A final bill covering actual cost and showing details shall be submitted to ORDC within one hundred and eighty (180) days after completion of the modifications. STATE shall pay all bills within sixty (60) days after receipt thereof, except that STATE may hold a retainer on all bills not to exceed eight percent (8%) until final payment. Final payment for all amounts due RAILROAD shall be made by STATE within sixty (60) days after a final audit has been performed and approved by ORDC. The audit shall occur within 180 days of submission of RAILROAD's final bill. RAILROAD agrees to cooperate and assist, as requested, in any such audit.

III. RECORDS RETENTION AND AUDIT

RAILROAD agrees that STATE, or its duly authorized representatives, shall, during STATE normal business hours, upon reasonable notice, in accordance with RAILROAD safety rules and regulations, and accompanied by RAILROAD personnel, be permitted to examine the records and data maintained by RAILROAD related to this AGREEMENT as may be necessary to monitor RAILROAD's compliance with this AGREEMENT.

RAILROAD shall maintain all books, documents, papers, program agreements, accounting records, and other evidence pertaining to this AGREEMENT, its revenues and expenditures, and shall provide such information upon request of STATE or its designee and shall permit STATE to examine and audit those books, records, and the accounting procedures and practices of the RAILROAD relevant to this AGREEMENT. All documents and information shall be made available for review and audit at a mutually-agreeable location within the state of Ohio. The records shall be retained for three years after receipt of final payment to the RAILROAD from the STATE.

To the extent possible under applicable law, all aspects of STATES's exercise of audit rights and the results thereof, and any and all information disclosed by RAILROAD to the STATE under this AGREEMENT, shall be held confidential, and shall not be disclosed without RAILROAD's prior written consent. Nothing in this AGREEMENT shall be construed to restrict the STATE from disclosing such confidential information as required by law or by court or

administrative order, provided in each case the ORDC shall timely inform RAILROAD, if legally permissible, of the request.

RAILROAD will comply with the requirements of the ODOT Railroad Audit Circulars, available at:

<http://www.dot.state.oh.us/Divisions/Finance/Auditing/Pages/RailUtilities.aspx.aspx>

V. TERMINATION

Said AGREEMENT shall terminate upon the expiration of MAP-21, the present US Transportation Bill. If construction under this AGREEMENT is not completed by that date, it is the express intention of the parties to renew this AGREEMENT on each successive biennium period until such time as all work contemplated under this AGREEMENT has been satisfactorily completed. Furthermore, the parties expressly agree that the terms and conditions of this AGREEMENT shall continue to be controlling following the expiration of the then current U.S. Transportation Bill. If it appears to ORDC or PUCO that RAILROAD has failed to perform satisfactorily any requirements of this AGREEMENT, or if RAILROAD is in violation of any provision of this AGREEMENT, or upon just cause, ORDC or PUCO may terminate the AGREEMENT after providing RAILROAD with written notice, in accordance with the notice provisions of this AGREEMENT, of its failure to perform satisfactorily any requirement of this AGREEMENT (the "Notice"), which shall provide RAILROAD with a thirty (30) day period to cure any and all defaults under this AGREEMENT.

During the thirty (30) day cure period, RAILROAD shall incur only those obligations or expenditures which are necessary to enable RAILROAD to achieve compliance as set forth in the Notice. If it is determined that RAILROAD cannot cure its default, RAILROAD shall immediately cease work under this AGREEMENT, take all necessary or appropriate steps to limit disbursements and minimize costs, and provide a report, as of the date of receipt of the Notice, setting forth the status of the work completed, the cost of the work completed and such other information as STATE shall deem pertinent.

If this AGREEMENT is terminated for breach or failure to satisfactorily perform, the breaching party shall reimburse the non-breaching party any of its costs not reimbursed by the STATE.

It is expressly understood by the parties that none of the rights, duties, and obligations described in this AGREEMENT shall be binding on any party until all statutory provisions of the ORC, including but not limited to ORC § 126.07 and 126.08 have been complied with, and until such time that all necessary funds are made available and forthcoming from the appropriate state agency and such expenditure of funds is approved, if necessary, by the Controlling Board of the State of Ohio pursuant to ORC §127.16 , or in the event that federal funds are used, until such time that the ORDC gives RAILROAD written notice that such funds have been made available to the ORDC by the ORDC's funding source.

(1) RAILROAD has the power and authority to enter into this AGREEMENT;

Any person who, prior to or after the execution of this AGREEMENT, acquires any personal monetary interest, involuntarily or voluntarily, shall immediately disclose his interest to STATE in writing. Thereafter, such person shall not participate in any action affecting the work under this AGREEMENT unless the STATE determines that, in light of the personal monetary interest disclosed, his participation in any such action would not be contrary to the public interest.

Any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to ORC §2921.13(D)(1), which is punishable by a fine of not more than One Thousand Dollars (\$1,000) and/or a term of imprisonment of not more than six (6) months.

In case any action involving any work covered by this AGREEMENT is brought by or against any party or parties, said party or parties shall promptly notify the other party or parties of such action.

Further, if any term, provision, covenant or condition contained in this AGREEMENT is breached by either party and thereafter such breach is waived in writing by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
