IV. COMPENSATION

Administration and project soft costs shall be computed on the basis of the payment of fees schedule. Billing for the administration will be done every quarter. Soft costs will be paid on a per project basis upon the project completion. These rates include cost of operation such as employee benefits, office costs, etc.

ADMINISTRATION: 12% of the grant charged per line item

The City of Medina partnering with the City of Brunswick is eligible to apply for \$700,000 for PY 2020 funding, therefore allowable administration would be 12% of the grant, charged per line item equaling \$84,000. Ohio Regional Development Corporation's charge for administration would be \$74,000 of the available administration dollars at the rate of \$95 per hour. This would allow the City of Medina \$10,000.00 for administrative costs including office expenses.

CITY OF MEDINA \$10,000

- **Program Administration:** The Administration dollars of \$5,000.00 would be used to cover costs associated with the implementation of the grant. (Example would be the cost of preparing purchase orders, creating, maintaining and reviewing files and reports and providing for office expenses.)

OHIO REGIONAL DEVELOPMENT CORPORATION \$74,000

- **Grant Application:** The charge for application preparation is \$10,000. This figure is included in the overall administration portion of the grant. This will cover the costs associated with the entire grant application process.
- **Environmental Review/Release of Funds:** The charge to assure compliance with the Environmental Review process and prepare the Release of Funds is \$10,000.
- **Project Walk-Away Costs:** If ORDC is handing the full administration of the CHIP grant, project walk-away costs, if any, would be reimbursed to the grant from ORDC's administration.
- **Project Administration:** The administration dollars of \$51,000 would be used for the general administration of grant line items. As well as post grant management, monitoring, reporting and more.
- **Fair Housing:** The charge for Fair Housing for the CHIP grant would be \$3,000. This cost covers compliance for the entire grant period.

These above amounts are computed on the basis of the following schedule of hourly rates for employees engaged in the work:

Director	\$115.00
Staff members	\$100.00

However, the Consultant never asks for additional compensation beyond what the grant allows for in its administrative dollars.

The CHIP Program Budget requires the applicant to identify and budget administrative costs. For more information, please see the HOME and CDBG requirements outlined in 24 CFR Part 92.207, 24 CFR Part 570.206, and Notice CPD 96-09. Costs that are necessary to manage the program, but which cannot be reasonably tracked to the delivery of a specific service to a specific client or dwelling are considered administrative costs. Administrative costs relate to general program management, coordination, monitoring, evaluation, and oversight activities. The following are criteria that must be considered when filling out the budget:

- Total Administrative Costs cannot exceed 12 percent of the dollar amount of the total CHIP Program request.
- HOME Administration cannot exceed 10 percent of HOME funds.
- Administration is an eligible budget category for all housing activities.
- Charges to walk away units or when a national objective is not met, must be charged to administration.

Eligible administrative costs are costs associated with the overall CHIP Program grant. These costs may include:

- Training
- Legal fees
- Environmental review
- Citizen participation
- Bookkeeping
- Office rent
- Supplies
- Equipment and maintenance
- Other eligible administrative costs include:
 - Creating and managing general program files/databases,
 - developing program policies, procedures and forms,
 - preparing program reports and written notices to occupants,
 - supervising staff with administrative duties,
 - managing agreements or third-party contracts to administer the CHIP Program,
 - counseling/referring program participants,
 - marketing programs,
 - monitoring and evaluating program performance,
 - mileage,
 - postage and
 - copies

SOFT COSTS (FKA IMPLEMENTATION)

Ohio Regional Development Corporation would charge 100% of the applicable soft cost for each project for which ORDC provided application intake/file management and rehabilitation inspector services (50% of the soft costs respective for each service).

Rehabilitation Project (Owner & Rental) = 16% of Project Cost

Home Repair Project (Owner & Rental) = 22% of Project Cost

Homeownership = 18% of Project Cost

New Construction = \$2,000 per unit

Example:

Private Owner Rehabilitation- Project Cost = \$30,000
16% of project cost = \$4,800

The 16% Soft Costs will cover the following duties:

- Creating and managing specific case files/databases of projects under contract.
- Preparing, filing, recording legal/financial documents for specific eligible cases.
- Inspecting and testing dwellings (including all of the inspections and tests in the RRS, LBP inspections, Risk Assessments and Clearance Testing).
- Preparing specifications/work write-ups.
- Managing the contractor procurement process.
- Monitoring and managing the construction process and the private contractors.
- Responding to client's complaints.
- Costs associated with credit reports and title searches.
- Counseling of the specific clients assisted through a CHIP primary activity.
- Relocation of households during the construction process.
- OHPO Clearance

Soft costs will be warranted by the rate of \$95 per hour, not to exceed the above stated percentages. The Consultant has found that with many projects in the past, more hours are put into a project than what is compensated for the project. **However, the Consultant never asks for additional compensation beyond what the grant allows for in its administrative/implementation dollars.**
