**BID CLARIFICATION**  
August 2, 2016

---

**Questions / Responses**

Please find below answers to questions regarding the project that have been submitted to the City (through August 2, 2016):

1. **Question:** The Project Specifications call for "thermostatically controlled heater for cooler temperatures". We do not believe there are any buttons manufactured that have heaters included in the button. In order to make sure you are able to get someone to quote this bid we would ask that you remove that statement and issue an addendum

**Response:** The reference above can be found on page 2 of the Project Specifications, under Item #1, fourth paragraph. Plan holders shall omit the phrase "and with a thermostatically controlled heater for cooler temperatures". This paragraph as modified thus reads:

"Provide units with a black background with standard white international symbol message."

**END OF SECTION**

---

As a reminder, the bid date and time for this project remains unchanged. Sealed bid proposals will be received by the Mayor of the City of Medina, Ohio in his office at 132 N. Elmwood Avenue, Medina, Ohio 44256 until 10:00 AM local time on Friday, August 6, 2016 at which time bids will be publicly opened and read.

The City of Medina reserves the right to reject any and all bids and the right to waive any informalities or irregularities in the bidding. Contact the City Engineer at (330) 722-9034 for further information.

Thank you.

Preserving the Past. Forging the Future.
