

## PROJECT SCOPE

### City of Medina Job No. 1007: Wadsworth Road Water Main Installation Project, Phase II

#### General

- **Base Bid**

The base bid portion of this project consists of the installation of approximately 1,500 lineal feet of eight (8) inch ductile iron water main along Wadsworth Road (S.R. 57) between Smokerise Drive and Twin Oaks Boulevard. Below please find a general summary of items that are included as a part of the Base Bid for this project:

1. Maintenance of traffic.
2. Clearing and grubbing.
3. The removal and replacement of portions of existing sidewalk and curb ramps.
4. The removal and replacement of existing concrete roadway pavement.
5. The removal and replacement of existing asphalt roadway pavement.
6. The removal and replacement of portions of existing concrete drive aprons.
7. Abandonment of existing water main with low strength mortar (LSM).
8. The installation of eight (8) inch water main and appurtenances.
9. Installation of various size water service lines.
10. Installation of pavement markings and signal loop.
11. Final grading, topsoil placement and seeding of all areas within the construction limits.

- **Add Alternate #1 Bid**

The Add Alternate #1 bid portion of this project consists of installing AWWA C909 PVC water main and flexible self-restrained epoxy coated fittings in lieu of the poly-wrapped ductile iron water main and fittings as specified within the base bid. Bidders will be required to provide pricing for both the Base Bid and the Add Alternate #1 Bid. The City may elect to not perform the Add Alternate #1 Bid.

#### Maintenance of Traffic:

The Contractor will be responsible for providing all necessary maintenance of traffic for this project. Lane closure guidelines and restrictions are outlined within the project plans. Because this project is occurring along a state route a maintenance of traffic plan must be submitted by the contractor and approved by the City Engineer.

#### Bid Information

- The bid includes the furnishing of all labor, materials and equipment necessary to construct the improvements as outlined within these bid specifications and project plans.
- State of Ohio prevailing wage rates will apply to this project. Wage rates for all labor utilized for constructing and installing this project must be in strict accordance with the most recent State of Ohio prevailing wage rate schedule. A copy of these rates is included within this bid package (see section 6).
- The final completion date for the project is May 15, 2017; however, bidders will be given the opportunity to submit an earlier completion date if they so desire.
- This project is partially funded by the Ohio Public Works Commission (OPWC). All OPWC equal employment opportunity requirements for bidders must be strictly adhered to.
- The contractor is reminded that this project will be completed in conjunction with the Medina County Sanitary Engineer's Office. All inspection of the installation of any sanitary sewer and appurtenances will be conducted by the Medina County Sanitary Engineer's Office; however, all submittals and paperwork shall be turned into the Medina City Engineer.
- The Contractor and each subcontractor will be required to maintain during the life of the contract Worker's Compensation Insurance, Public Liability Insurance with minimum coverage amounts of \$1,000,000 per occurrence, Property Damage with minimum coverage amounts of \$1,000,000 per occurrence, and Vehicle Liability Insurance.
- The Contractor and all Sub-Contractors must be registered with the City of Medina to work in the City. Please contact the City of Medina Building Department at (330) 722-9030 for details regarding registration requirements and fees. No additional permits will be required to complete this project.

#### Bid Instructions

Please be advised that for a Bid to be accepted for consideration by the City of Medina, the following items MUST be completed and submitted:

1. Non-Collusion Agreement (included in Section 9: Bid Documents)
2. OPWC Form Work (included in Section 9: Bid Documents)
3. Bid Bond (to be supplied by the Bidder)
4. Bidder Information and Experience Record (included in Section 9: Bid Documents)
5. Bid Proposal Form (included in Section 9: Bid Documents)

**PROJECT SCOPE**

**City of Medina Job No. 1007: Wadsworth Road Water Main Installation Project, Phase II**

**Bid and Award Date**

Bids will be accepted until 10:00 A.M. on Thursday, November 10, 2016, at which time they will be opened and read publicly. The City will award the bid no later than November 14, 2016. The City anticipates issuing a notice to proceed no later than November 25, 2016.
