ADDENDUM No. 1

June 7, 2016

Plan holders of the above captioned project are advised that the bid date for this project has been postponed. Sealed bid proposals will now be received by the Mayor of the City of Medina, Ohio in his office at 132 N. Elmwood Avenue, Medina, Ohio 44256 until 10:00 AM local time on Friday, July 1, 2016 for the furnishing of all labor, tools, materials, equipment and supervision necessary for the project known as "WEST SMITH ROAD RECONSTRUCTION PROJECT", City of Medina Project Number 818, at which time bids will be publicly opened and read.

Plan holders should note, prior to the modified bid completion date, the City of Medina anticipates issuing additional addenda for this project. Addendum No. 2 will be issued later this week and will include responses to the questions and requests for information received to date.

It is anticipated that Addendum No. 3 will be issued on or about June 22, 2016. That addendum will include the following:

- Clarification and/or modification of certain project notes/details and certain scheduling/phasing restrictions.
- This addendum will clarify that the contractor will have the option to complete some drainage items during an extended pre-phase.
- The amount of time permitted for complete closure of W. Smith during the installation of the culvert will be increased from one weekend to two (2) weeks. Additional culvert construction details will be provided.
- Minor plan detail clarifications.
- The requirement that no work will be completed during the Medina County Fair. In addition, during the week of the Fair all travel lanes in both direction must be open and available to all traffic. The Fair is held during the first week in August each year.
- Elimination of redundant/conflicting plan notes and details.
- Responses to any additional bid questions and requests for information received by the City.

Thank you for your cooperation.
