

Beginning Thursday, March 19, 2020 Medina County Public Transit will be temporarily suspending the Flex (Loop) Services in Medina, Wadsworth and Brunswick. This is in response to our ongoing efforts to provide safe, quality transit services for county residents. Our Demand Services (Door to Door) will be running (Monday thru Saturday) for passengers needing essential transit services.

It is important to know that our team has been hard at work taking additional precautions in the cleaning & sanitizing of our buses. We truly appreciate the support of our passengers and the dedication of our Staff & Drivers!

Please call (330) 723-9670 to schedule a Demand Service trip Monday thru Friday (7am-2pm).

Shannon L. Rine
Director, Medina County Public Transit
