Considerations:

Design Guidelines

- Section 145.07 (3) of the City of Medina Codified Ordinances states the intent of these guidelines is to preserve and restore the features which establish a buildings architectural character while making alterations and renovations necessary for the efficient and contemporary use of the building.

Sign Area. Signs must conform to the sign regulations outlined in Chapter 1147. Wall sign area is calculated at one sq. ft. of sign for every one linear foot of store frontage. At 22.9 sq. ft. in area, the proposed sign adheres to the size requirements

Conditional Sign Permit Review guidelines

- The Conditional Sign Permit Review guidelines in §1147.16 state that the proposed sign must be compatible with the design and materials of the building on which the sign is to be placed.
- The guidelines state that the proposed sign must be harmonious and in accordance with the general character of the district:

Staff Comments:

The proposed signage will be compatible with the building and the district. The proposed signage adheres to applicable zoning regulations.

Recommendation:

Staff recommends the Historic Preservation Board grant a conditional sign approval for the proposed sign.
