SUBJECT: Dispute Resolution and Conflict Management Policy for Office of Community Development for housing rehabilitation and repair activities except for projects funded through the Ohio Housing Finance Agency.

ISSUED: July 1, 2013

DISTRIBUTED TO: Office of Community Development Award Recipients and their Affiliates

PROGRAM POLICY

The Office of Community Development is replacing the original Program Policy Notice to provide clarity and update the requirements of dispute resolution and conflict management for the Office of Community Development funded programs. This policy applies to all programs funded through the Office of Community Development's Residential Revitalization Section, Economic and Appalachian Development Section and the Supportive Housing Section. It does not apply to projects funded through the Ohio Housing Finance Agency. The Office of Community Development Dispute Resolution and Conflict Management Policy applies to all direct beneficiary-related housing rehabilitation, repair and construction projects completed with the Office of Community Development program funds and program income, beginning with grants funded in FY 2013.

General Requirements

To protect the interest of the parties involved in the Office of Community Development-funded housing activities, the Ohio Development Services Agency's Office of Community Development established the Dispute Resolution and Conflict Management Policy.

The policy outlines the responsibilities of the grantee, administrator, homeowners and contractors responsible for completing the Office of Community Development-funded projects. This policy applies only to those projects which include housing rehabilitation, repairs and construction. The grantee shall have appropriate procedures in place to address disputes arising from walkaway projects and/or non-construction activities. During the Office of Community Development's monitoring of a grant, compliance with this policy and local procedures will be confirmed.

The Office of Community Development will not entertain requests to intervene during a dispute. If it becomes necessary to proceed to arbitration, the arbitrator's decision is final and binding. No dispute or argument will be considered after this process is complete.

Recommendation: Most disputes can be prevented by all parties if there is a clear understanding of material quality standards and material selection limitations. Signed approval of material selection, color choices and change orders can assist in the prevention of a conflict.

To ensure that the appropriate parties are informed about the Dispute Resolution and Conflict Management Policy, grantees must provide a copy of the Dispute Resolution and Conflict Management Policy and Dispute Resolution Form to every administrator, rehabilitation/repair/construction client, contractor and when/if necessary any mediator and/or arbitrator. The grant administrator shall provide copies of the policy to both the client and contractor at the pre-construction conference and obtain their signatures acknowledging receipt, along with their complete understanding of the Dispute Resolution and Conflict Management Policy. By acknowledging receipt of the policy all parties agree to abide by the terms therein. A clause shall be incorporated in any rehabilitation/repair/construction contract referring to the Dispute Resolution and Conflict Management Policy. The original document must be maintained in the program's administrative file and copies provided to the homeowner and contractor.

The grantee is responsible for developing an alternative written method for communicating with an applicant if the applicant has a disability (e.g., physical, visual, hearing, speech and/or cognitive disability), is functionally illiterate, or has limited English proficiency and requests an accommodation. The grantee must also provide a copy of the written alternative method for communicating with a homeowner/applicant who is disabled to the administrator. For guidance regarding communicating with people with disabilities, visit <http://www.adata.org/ada-document-portal>. The cost of providing an accommodation to persons with a disability is the responsibility of the grantee.

The homeowner must understand their signature and date on the certification of completion verifies satisfaction of the contractor's workmanship and validates final payment. No complaints regarding workmanship will be accepted after that date. Failed items covered under the warranties should be handled by contacting the contractor directly, in writing if necessary, detailing all warranty items that need addressed, within 12 months of work completion. The grantee and program administrator have no obligation to assist with warranty work issues.

The cost of mediation and arbitration shall be borne by the grantee. Charges are eligible to be paid with active grant funds as soft costs, administration funds, or program income of the same activity source. If funds are not available, contact the Office of Community Development program representative for assistance in seeking other funding options.

Resolution of disputes shall follow the format described below.

Dispute Resolution and Conflict Management Process

1. If there is any dispute regarding the scope of work, workmanship or material quality/selection or any other discrepancy, the homeowner must notify the contractor immediately. If the contractor is not on site, the disputed work must stop and the contractor will be notified. Disputed work will not proceed until the issue is resolved.
2. Both the homeowner *and* contractor shall contact the administrator immediately when/if the dispute is not resolved between the contractor and the homeowner at step #1.
3. The administrator and/or grantee, rehabilitation specialist, contractor and the homeowner shall make a good faith effort to resolve the dispute at this time. If resolved, details of the dispute and resolution must be documented and signed at this time. The documentation will be placed in the client file.
4. If the dispute is not resolved at step #3, the homeowner must submit a written complaint to the grantee within five working days, on the Dispute Resolution Form provided.

Note: Disputed work that is necessary for the health and safety of the occupants, sanitary reasons or the protection of the structure and/or property, should proceed to the extent necessary to safeguard until the dispute is resolved.

5. Upon receipt of a written complaint, the administrator shall notify the grantee of the dispute. The grantee may attempt local resolution at this point, but in any case, shall require the administrator to respond in writing within 15 working days of receiving the complaint. Local resolution may be, but is not limited to, a review committee comprised of impartial members. Procedures for local resolution methods must be attached to this policy, and described in the grantee's local Policies and Procedures Manual.
6. The homeowner shall provide a statement, in writing, within 15 working days of the grantee's response date either accepting the proposed resolution or requesting mediation.
7. Within 15 working days of the date of the homeowner's response requesting mediation, the grantee and administrator shall provide the homeowner with the option of two dates for mediation.*

*The grantee may opt to proceed directly to arbitration.

Mediator Responsibilities

Arbitrator Responsibilities

If the dispute cannot be resolved through negotiations with all parties or through the optional mediation process, the dispute **must** be submitted to arbitration. The arbitrator is responsible for providing a resolution to the dispute submitted by the applicant within 60 days of receiving the dispute.

The administrator may use the assistance of, but are not limited to, the American Arbitration Association.
