Floor Thickness: Eight inches with 6" x 6" #4 wire mesh, 4000psi

Lighting: Metal halide

HVAC: Radiant tube

Sprinkler System: Yes

Power: Substation with main. Separate transformer: 3,000 AMP

REGIONAL MAP

Medina Area Information

The recent announcement by *Money Magazine's* top 100 best places to live was no surprise for long-time residents of Medina. Although honored and humbled to be ranked 40th on the list of "America's best small towns," Medina residents and businesses have known this is a great place to live, work and raise a family. Compared to other cities in the survey, the City is ranked high due to its low crime rate, excellent schools, affordable housing, general low cost of living (ranging 12-20% below the national average), and a tremendous local and regional health care system.

The City of Medina offers a wide selection of recreational opportunities and currently has 800 acres developed for park use at 12 different sites. A strong youth sports program utilizes the park fields and the Medina Community Recreation Center throughout the year.

Regionally, our residents are minutes away from professional sporting events, some of the finest museums in the country, a great theater district, the world-renown Cleveland Orchestra, and the third most visited national park system in the U.S.

The City of Medina is the county seat for Medina County, one of the fastest growing counties in the State of Ohio. While our location offers an easy drive to Cleveland, Akron, and Columbus, the same highway system reaches 60% of the population of the U.S. in a day's drive.
